

Nitty Gritty

Restoration

BEFORE

Do you have any furniture looking like the dresser above? It's truly a remarkable transformation when brought back to life!

Over 35 years ago we started in business focussed on restoration and refinishing. Today we have come full circle, offering both in-home services and complete restoration services in our shops.

AFTER

Finishing has always been one of our specialties. Whether you have a treasured heirloom or a piece which needs updating, please call and ask about our various different restoration services in-home and at our shops.
