Beautifully built solid-wood Ontario-made furniture is the specialty here. Floor samples show the range: an exquisite writing desk (\$1,775) with an Asian Arts and Crafts flavour done in tiger maple and makore, an African hardwood; a kitchen bar with 1920s lines and a walnut-stained top (\$3,750); and a slightly curved sleigh bed with a soft milk-paint finish (queen from \$4,270). Seventeen catalogues show the other options available—variations on desks, beds and armoires—and there are several drawers full of fabric.
